2. [REDACTED] Talked with Leon Parma in Representative Bob Wilson's (R., Calif.) office in connection with Wilson's letter asking for information concerning the Official Secrets Act and possible legislation. I advised Parma we were ready to meet with Wilson at his convenience and I made the suggestion for Wilson's consideration that Representative Paul Kitchin be invited to sit in since he had expressed an interest in this general subject. Parma will advise when Wilson is available.

3. [REDACTED] Transmitted a blind memorandum concerning PRENSA LATINA to Mr. J. G. Sourwine, Senate Internal Security Subcommittee. Mr. Sourwine indicated no present plan to use the material but would not attribute the source if it is used. He also indicated comparable information is contained in General Cabell's testimony which has been released.
